

# NSA Washington (NSAW) Sponsorship Program

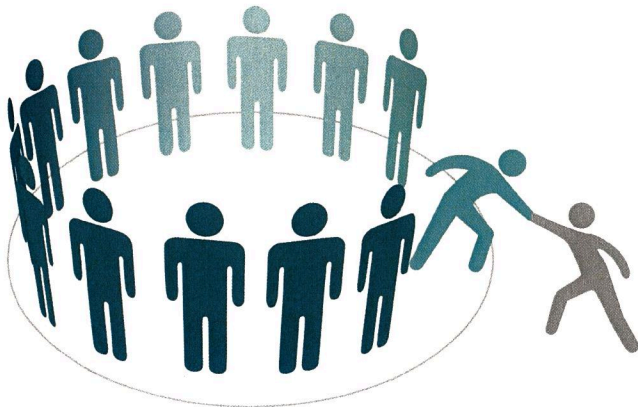

*Are you looking for support with your transition into your new position and relocating? Request a Sponsor!*

As a new and relocating employee, we understand how difficult it is to transition into a new position and acclimate to your new surroundings. That's why our new Sponsorship Program is here to ease those new area jitters and relocating stress!

## **A Sponsor would:**

- ⇒ Assist with the orientation of the NSAW campus & culture
- ⇒ Provide assistance with networking
- ⇒ Introduce you to local activities, restaurants, resources, etc.
- ⇒ Provide information on local communities for relocating
- ⇒ Answer questions & provide support from initial contact until three months after arrival
- ⇒ Provide work/life support

To **apply** for a Sponsor, please email [sponsorprogram@nsa.gov](mailto:sponsorprogram@nsa.gov). The Sponsorship Program manager will send you an application to fill out, that will assist with pairing you with a Sponsor who has similar interest(s) and family situation (if possible) as you.
