DHS Office of Intelligence and Analysis
**COUNTERTERRORISM
MISSION CENTER**

**We analyze terrorism threats to
inform federal, state and local
partners' responses.**

WHAT YOU'LL DO

The Counterterrorism Mission Center produces intelligence assessments on global terrorist threats for DHS headquarters and components, planners and policymakers; the Intelligence Community; and other federal, state, tribal, territorial and private sector partners. You'll work a number of portfolios with colleagues in the DHS Intelligence Enterprise and the larger federal interagency:

- Prepare analysis on U.S. homegrown violent extremists; violent extremist radicalization and messaging; violent extremist facilitation; and violent domestic terrorism trends.
- Provide analysis on terrorist targets and tactics; terrorist attacks and lessons learned; preoperational attack indicators and protective measures; and weapons, explosives, chemical, biological, radiological and nuclear health threats.
- Prepare analysis of aviation threat actors; terrorist groups; overseas passenger screening and border security; interagency and IC visa and immigration application screening; U.S. person and other Western Foreign Fighter Travel; and Visa Waiver Program country security.

BENEFITS

We believe your dedication to protecting the nation should be rewarded. That's why we're proud to offer:

- Federal health and life insurance, and retirement benefits
- Recruiting incentives, including a student loan repayment program
- Flexible work schedules
- Professional development opportunities

Join us in our mission to protect the homeland.

What is DHS?

The Department of Homeland Security (DHS) has a vital mission: to secure the nation from the many threats we face. This requires the dedication of more than 240,000 employees in jobs that range from aviation and border security to emergency response, from cybersecurity analyst to chemical facility inspector. Our duties are wide-ranging, and our goal is clear – keeping America safe. Below is a partial listing of DHS components.

Office of Intelligence and Analysis

“After 23 years in the Navy, I wanted to continue my service by being part of an organization that ensures that the homeland is safe and secure against terrorism.”

- Anthony

How Does the Office of Intelligence and Analysis (I&A) fit in?

I&A’s role is to collect, analyze and disseminate intelligence across DHS, the Intelligence Community, local and state government, law enforcement and the private sector to ensure homeland security.
