## DHS Office of Intelligence and Analysis **HOMELAND IDENTITIES, TARGETING, AND EXPLOITATION CENTER**

**Are you interested in a career in identifying and sharing intelligence and information on threat actors? Then consider joining the Department of Homeland Security's (DHS), Office of Intelligence and Analysis (I&A), Homeland Identities, Targeting, and Exploitation Center (HITEC).**

### **WHAT WE DO**

HITEC has the mission to "accelerate discovery and delivery of identity and network-based intelligence to counter national security threat actors by adopting and applying advanced exploitation methods, emerging technologies and sound tradecraft."

The HITEC executes its mission through two distinct intelligence themes; Document and Media Exploitation (DOMEX) and Counter-Network and Identities Analysis. To execute these themes, the Center uses digital forensic examination, foreign language translation, network analysis, identity-based research, biometrics and other Identity Intelligence (I2) tradecraft, and Watchlisting nominations to develop a holistic understanding of people and networks to counter threats posed by national security threat actors.

### **DOCUMENT AND MEDIA EXPLOITATION**

- Leads a DHS-wide program embedded at the National Media Exploitation Center
- Delivers intelligence support to DHS and other Law Enforcement, Operational and Intelligence Partners
- Derives intelligence information whole, or in part, from the exploitation of foreign language documents or digital devices
- Facilitates mobile and computer forensics, hardware/software reverse engineering, malware analysis and other technical disciplines

### **COUNTER-NETWORK AND IDENTITIES**

- Supports homeland security customers and stakeholders with current, accurate and thorough identity information
- Provides tailored analysis and targeting information to support DHS and IC stakeholders with counter-network leads
- Collects and processes all-source identity intelligence and information
- Manages the DHS Watchlisting Program and its associated policies and tools

### **BENEFITS**

We believe your dedication to protecting the nation should be rewarded. That's why we're proud to offer:

- Flexible work schedules
- Recruiting incentives, including a student loan repayment program
- Federal health and life insurance, and retirement benefits
- Professional development opportunities

# What is DHS?

The Department of Homeland Security (DHS) has a vital mission: to secure the nation from the many threats we face. This requires the dedication of more than 240,000 employees in jobs that range from aviation and border security to emergency response, from cybersecurity analyst to chemical facility inspector. Our duties are wide-ranging, and our goal is clear – keeping America safe. Below is a partial listing of DHS components.

## Office of Intelligence and Analysis

“I had a role in making sure everyone knew the information they needed to do their jobs. On the days I did my job right, the world never experienced the crisis we were preventing in the office.”

- Haley, former intern

### How Does the Office of Intelligence and Analysis (I&A) fit in?

I&A's role is to collect, analyze and disseminate intelligence across DHS, the Intelligence Community, local and state government, law enforcement and the private sector to ensure homeland security.
